The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office. DataQuest, an online data tool at <http://data1.cde.ca.gov/dataquest/>, contains additional information about this school and comparisons of the school to the district, the county, and the state.

## Section I - About This School

### School Description and Mission Statement

This section provides information about the school's goals and programs.

Alvarado is a more than a school: we are a community. We are a School of Languages, a School of Arts, a School of Cultures and Social Justice. Our mission is to reach and teach the heart and soul of the child through a fertile language experience, math, the arts and sciences. We rely on our strong belief in community, equity, and the transformative power of education to create challenges so our students achieve to their full potential. Alvarado offers a quality General Education as well as an award-winning Spanish Immersion Program. We boast of our visual and performing arts program taught by resident artists. We are committed as a community of learners to the academic, social and emotional growth of every student. We celebrate our diversity and are proud of the warmth in our halls.

### Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Without our cherished parents Alvarado would not be the school it is. Parents are an integral part of our school and of the education of our children. The family is expected and encouraged to be involved in school life. We rely on and welcome the community to help in classrooms and organize events. It is the energy and dedication of our parents that established and sustains much of our arts program, science consultant and outreach activities. We constantly look for ways parents can extend learning. Our school has various organizations that support parent involvement. Among these are a Parent Teacher Association (PTA), a School Site Council (SSC) and an English Language Learner Advisory Committee (ELAC). At Alvarado, we honor families of all kinds.

### Student Enrollment By Grade Level

This table displays the number of students enrolled in each grade level at the school.

## Section II - School Climate

### **School Safety Plan**

This section provides information about the school's comprehensive safety plan.

The school has developed a comprehensive school safety plan covering all the necessary aspects of planning for emergency response, staff training, support and student safety. Regular drills and practices are held for various emergency events. Students, staff and parents are informed as to what to do in cases of natural and criminal events. Alvarado has also become partners with community agencies and the SFPD/SFFD to work on safety and support issues. Our staff has also received training in various life saving techniques, first aid and crisis response training. Students at our school receive instruction on acceptance of diverse cultures, personal responsibility and an understanding of the law, rules and regulations of our society and school district.

### **School Discipline Practices**

This section provides information about the school's efforts to create and maintain a positive learning environment, including the school's use of disciplinary strategies.

The Student and Parent/Guardian Handbook for the San Francisco Unified School District 2007-2008 is the book followed to enforce district wide rules which will allow all of our students to be safe and free of distractions in their schools. One of the Pupil Services highest priorities this year is to enforce truancy laws. We encourage all students to practice respect for themselves and others to avoid any disciplinary issues.

### **Suspensions and Expulsions**

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07

Section III (School Facilities) begins on next page.

## Section III - School Facilities

### School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Alvarado Elementary School was constructed in 1926. During the 2005-2006 academic year the school underwent extensive renovations to comply with the Americans with Disabilities Act. In addition, two new Kindergarten classes were constructed, and the bathrooms and elevators were upgraded. Extensive planting beds were constructed to create a garden in the lower yard and a solar panel was installed to educate our children on alternative energy sources. A new play structure was erected in 2004. The school has a library and computer lab and all classrooms are equipped with computers and wired for internet access. The multi-purpose room and adjacent motor skills room serve as a cafeteria and auditorium. Needed improvements include painting the school's exterior.

### School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Section IV - Teachers

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District

<b>Without Full Credential</b>	2	1	0	101
<b>Teaching Outside Subject Area of Competence</b>	3	1	0	—

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Core Academic Classes Taught by No Child Left Behind Compliant Teachers

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

	Taught by NCLB Compliant Teachers	Taught by non-NCLB Compliant Teachers
<b>This School</b>	96.3	3.7
<b>All Schools in District</b>	86	14
<b>High-Poverty Schools in District</b>	74	26
<b>Low-Poverty Schools in District</b>	84.9	15.1

## **Substitute Teacher Availability**

This section provides information about the availability of qualified substitute teachers and the impact of any difficulties in this area on the school's instructional program.

SFUSD realizes the importance of having a high quality teacher in the classroom everyday. To accomplish this goal while accommodating teacher absences and professional development days, we provide permanent substitutes to STAR schools and recently implemented a new substitute system to better facilitate the placement of substitutes at all schools. The new substitute system features web and phone access - saving users' time and providing better reporting capabilities to administrators.

## **Teacher Evaluation Process**

This section provides information about the procedures and the criteria used for teacher evaluations.

SFUSD's teacher evaluation system is primarily based on the California Standards for the Teaching Profession (CSTP), which includes a pre-observation protocol to review the Content and Performance Standards, a teacher post-observation self-reflection opportunity and a post-observation protocol.

Administrators are trained in CSTP evidence based observations, as well as in reflective questions and coaching strategies. All of this is an effort to make teacher evaluation a professional growth-oriented process in SFUSD. For teachers who are not performing at a satisfactory level, the district has a Peer Assistance and Review (PAR) program.

## **Section V - Support Staff**

### **Academic Counselors and Other Support Staff**

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. If additional information is needed regarding staffing in these particular support roles, please contact the school.

## Section VI - Curriculum and Instructional Materials

### **Quality, Currency, and Availability of Textbooks and Instructional Materials**

#### ***For High Schools (grades 9-12)***

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. The following new instructional materials were adopted by the SFUSD Board of Education for the 2007-2008 school year, and were provided for all high school students enrolled in: first year algebra, biotechnology, U.S. history, American democracy, and some AP history classes. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 9, 2007 meeting of the Board of Education. Insufficiencies exist for some high schools in the areas of health and world languages, but class sets are available. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

#### ***For Elementary and Middle Schools (grades K-8)***

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2007-2008, new science instructional materials were provided for all students in grades K-8, and replacements were provided for core curriculum materials for which the need was identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 9, 2007, meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

## Section VII - School Finances

### **Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2005-06)**

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil Supplemental	Expenditures Per Pupil Basic	Average Teacher Salary

### **Types of Services Funded**

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Alvarado provides two Reading Recovery teachers and one upper grade Literacy Specialist to provide targeted students with support in reading comprehension and literacy development. A Community Advocate provides support to families and assists with the development of workshops for Spanish-speaking parents. An Outreach Consultant convenes SSTs and tracks attendance, achievement, health and behavior. A Technology Integration teacher instructs students in activities that reinforce core curriculum standards. A Classroom Reduction teacher provides the Alvarado staff the opportunity to work with smaller groups in the upper grades. Our two after School programs assist students with homework and enrichment activities, and Art, Music and Science Programs enhance and enrich the core curriculum.

### **Teacher and Administrative Salaries (Fiscal Year 2005-06)**

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$36,259	\$38,937
Mid-Range Teacher Salary	\$56,317	\$61,080
Highest Teacher Salary	\$71,815	\$76,443
Average Principal Salary (Elementary)	\$87,923	\$99,694
Average Principal Salary (Middle)	\$91,700	\$103,687
Average Principal Salary (High)	\$96,882	\$112,983
Superintendent Salary	\$250,000	\$195,054
Percent of Budget for Teacher Salaries	35%	40%
Percent of Budget for Administrative Salaries	5%	5%

## Section VIII - Student Performance

### California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-Language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10 and 11; and history-social science in grades 8, 9, 10 and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

### CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2005	2006	2007	2005	2006	2007	2005	2006	2007
English-Language Arts	51	55	50	45	47	49	40	42	43

## Norm-Referenced Test (NRT)

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling and mathematics in grades 3 and 7 only. The results are reported as a percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov>.

Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

## NRT Results for All Students - Three Year Comparison

This table displays the percent of students scoring at or above the national average (the 50th percentile) in reading and mathematics.

Subject	School			District			State		
	2005	2006	2007	2005	2006	2007	2005	2006	2007

### **California Physical Fitness Test Results**

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

## Section IX - Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

### API Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools". A similar school rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	8	8	N/A
Similar Schools	10	9	N/A

### API Changes by Student Group - Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: 'N/A' means that the student group is not numerically significant.

Group	Actual API Change			API Score
	2004-05	2005-06	2006-07	2007
All Students at the School	29	8	-18	801

Socioeconomically Disadvantaged	64	23	-42	710
English Learners	----	----	-20	671
Students with Disabilities	----	----		

### State Award and Intervention Programs

This section contains information about the school's participation in various state intervention and award programs only to the extent these programs were funded for the period addressed by this report.

Although state intervention and awards programs are currently in the California Education Code, the programs were not funded for the period addressed by this report. Therefore, there are currently no data available to report.

## **Adequate Yearly Progress**

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- 2) Percent proficient on the state's standards-based assessments in ELA and mathematics
- 3) API as an additional indicator
- 4) Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

## **AYP Overall and by Criteria**

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

<b>AYP Criteria</b>	<b>School</b>	<b>District</b>
<b>Overall</b>	No	No
<b>Participation Rate - English-Language Arts</b>	Yes	No
<b>Participation Rate - Mathematics</b>	No	Yes
<b>Percent Proficient - English-Language Arts</b>	No	Yes
<b>Percent Proficient - Mathematics</b>	Yes	No
<b>API</b>	Yes	Yes
<b>Graduation Rate</b>	N/A	Yes

## **Federal Intervention Program**

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

## **Section X - School Completion and Postsecondary Preparation**

Not Applicable.

## Section XI - Instructional Planning and Scheduling

### School Instruction and Leadership

This section provides information about the structure of the school's instructional program and the experience of the school's leadership team.

We strive to meet the unique needs of all students. We are very proud of our rich curriculum and excellent instruction. Our teaching standards are the highest and we continually strive to improve our practices through professional development and collaborative instruction. More and more of our staff are becoming National Board Certified – a distinct honor. Teachers use project-based learning, inquiry and direct instruction to create intense and creative learning situations bell to bell. A Leadership Team works with the principal and the School Site Council to make effective instructional decisions that support achievement, develop teacher leadership, and identify and implement professional development activities so we can meet our instructional goals.

### Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school has three full days of professional development during the academic year.

### Instructional Minutes

This table displays a comparison of the number of instructional minutes offered at the school to the state requirement for each grade. Total instruction days in SFUSD is 180 days.

Grade Level	Instructional Minutes	
	Offered	Requirement
K	50,750	36,000
1	52,500	50,400
2	53,400	50,400
3	53,400	50,400
4	55,150	54,000
5	55,150	54,000
6		54,000

12		64,800

## **Minimum Days in School Year**

The section provides information about the total number of days in the most recent school year that students attended school on a shortened day schedule and the reasons for the shortened day schedule.

In all San Francisco Unified District schools in grades K through 8: 10 minimum days provide time for parent and teacher conferences during the Fall and Spring Parent Conference weeks, also three minimum days per year make time for teachers to participate in professional development during Professional Development Institutes. High schools do not have minimum days because they do not have regularly scheduled parent/teacher conferences. Conferences are arranged by request of the parent/guardian.
