1991-1992 School Accountability Report Card

San Francisco Unified School District

Fall, 1991

District Mission and Goals

The mission of the San Francisco Unified School District is to provide each student with an equal opportunity to succeed by promoting intellectual growth, creativity, self discipline, cultural and linguistic sensitivity, democratic responsibility, economic competence and physical and mental health so that each student can achieve to his or her maximum ability. In order to achieve this mission, the Board of Education has adopted the following goals: 1. To improve teaching and learning to enhance student achievement. 2. To improve staff, parent and community participation in the educational process. 3. To maintain school environments that are safe, secure and attractive. 4. To achieve a school district that is fully integrated in all its programs and activities and provides equal opportunity for all students.

The board has adopted detailed objectives to achieve these goals. In subsequent pages, these objectives will be listed. If the objective is shown with a check (✓), the objective has been achieved. No mark at all indicates that the objective has not been achieved.

Philosophical Tenets

In order to achieve these objectives, the Board has adopted a set of philosophical tenets. For a copy of these tenets see the 1989-90 School Accountability Report Card or the Student Handbook.

Teacher/Staff Training, and Curriculum Improvement Programs

Professional development is a part of every school site plan and is a major component of the instructional support departments. The district's professional development program provides training opportunities to enable new and experienced teachers to implement the district's core curriculum for all students, to update subject area expertise, and to acquire new instructional strategies.

Staff development is focused on articulating the Immersion curriculum and on providing continuity and sequential skill development in grades K-5. This year grade level teams will be given 3 full release days towards this objective. Grants this year include Family Science, Poets in the School and a Visual and Performing Arts team expansion grant.

School Description

Buena Vista is a Spanish Bilingual Immersion Program. This is an instructional program in which English speaking students along with Spanish speaking students study subject content using Spanish as the language of communication. Spanish is taught naturally through integrated thematic units that are aligned with the District core curriculum and the state frameworks. All grades receive daily English and Spanish Language Arts.

Literacy is introduced in Spanish in the first grade. English reading instruction begins formally in the second grade. Teachers are consistent models of one language of instruction and teaming is required to insure that all students' social and academic needs are being met by the Spanish and English instructional team.

Music, dance, drama and reading, are integrated in science, math and history, social studies with a multi-cultural emphasis. Students are expected to achieve at the same level as their counterparts in both languages in regular classrooms. Staff and parents hold high expectations for student success and work to achieve and enrich the school goals through cooperation and open communication.

Counseling and Student Support Services

District general funds are not available for counseling services at the elementary school level. However, some schools have added support staff funded through special programs, projects, or grant awards. B.V. has a student advisor, librarian, parent volunteer coordinator, itinerant speech therapist and R.S.P. teacher. Through the support of the P.T.A. and grants, we have one dance artist and a photography program. Parent volunteers are evidenced in all aspects of the school. Other assistance programs include Student Services, Conflict Management, San Francisco Volunteers and Urban Pioneers.

Student Attendance and Dropout Rate

The District's K-5 average attendance for 1990-91 was 99.0% and the dropout rate was 1.6%. At Buena Vista, attendance for the year was 100.0%, excused absences were 5.2%, unexcused absences were 0.0% and the dropout rate was 3.2%. An important District objective is to reduce dropout rates. Dropouts are defined as students who are absent without reason for 45 days or more. The Student Advisor, Principal and Secretary monitor absences and tardies daily. The commitment and collaboration of staff and parents keeps attendance close to 100%.

Teacher Assignment

Out of 3,103 certificated in the District's schools, none are teaching out of their credentialed areas. At Buena Vista, 11 bilingual teachers meet the credential needs of the Spanish Immersion program. In addition we have a Spanish bilingual special education teacher and pre-K teacher on staff. One teacher with bilingual skills is on emergency credentials. She is pursuing the bilingual certificate.

Objective 1f: 1990-91 dropout rate will be reduced from its 1989-90 level.

Class Size

Grade Level	Contract Ratios	Contract Goals	District Averages	School Averages
K	31.2	28	27.7	29.0
1	26.0	24	26.3	30.0
2	26.0	24	26.0	30.0
3	29.8	25	27.5	25.0
4	32.2	30	27.3	23.5
5	32.2	30	29.0	25.0

Ethnic Diversity

Objective 4a: When filling staff vacancies, each school and department shall give attention to the goal of making the ethnic diversity of staff reflective of the ethnic makeup of the student population.

Teacher Evaluation

Administrators, probationary teachers, and all classified personnel are evaluated by their supervisors every year. Tenured teachers are evaluated every two years.

The evaluation processes are determined through contractual agreements with the United Administrators of San Francisco, the United Educators of San Francisco, and the Civil Service Commission of the City and County of San Francisco.

Student Behavior

In order to provide a healthy climate, we have regulations consistent with the Student Behavior Handbook. Last year, at Buena Vista, 2 students were suspended for violations of those regulations. The following program(s) have been included in the School Site Plan to achieve the District's objective to reduce the number of suspensions: Student Services, Conflict Management, Student advisor, cross age game program, Student Study Team and on-going parent contacts.

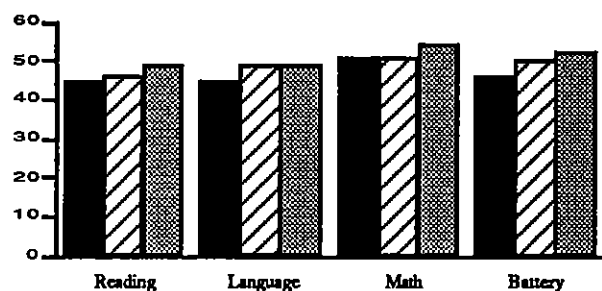

Objective 3a: Schools will provide interventions which result in the reduction of the number of suspensions and expulsions.

Student Achievement

CAP Scores - 3rd Grade
(Relative Ranking)

CTBS (Combined [K-5] Normal Curve Equivalents)

LEP/NEP = 14.0% Special Education = 4.3% EDY = 35.7% GATE & High Potential = 11.0%

The California Assessment Program (CAP) is a state mandated annual test which measures how well students as a group are mastering the State Curriculum at different grade levels. CAP was not administered in 1990-91. The Comprehensive Tests of Basic Skills (CTBS) is used by this District to measure individual student progress and proficiency standards.

Objective 1b: 1990-91 CAP scores will be higher than its 1989-90 CAP scores in the three areas tested. * Not administered

Objective 1c: The percentage of students scoring two years below grade level on the 1990-91 CTBS will be smaller than the percentage of students in the same category on the 1989-90 CTBS.

Objective 1d: The 1990-91 average growth in achievement for each ethnic group will be the same or greater than their 1989-90 average growth.

Quality of School Instruction and Leadership

The school community is dedicated to a learning environment that encourages academic excellence and personal growth for all students in an atmosphere of concern and mutual respect. The staff provides continuous encouragement, guidance, recognition and positive reinforcement for students. There is a school-wide homework and discipline policy. Shared decision making, team teaching and mentoring keep morale high. Parents are actively engaged in the School Site Council and P.T.A. Staff and parents work together to provide a caring and enriching educational program.

Substitute Teachers

During the Spring of the 1990-91 school year, the Buena Vista teacher attendance rate was 100%. During the Spring of 1990-91 school year, the Buena Vista teacher attendance rate was 88.6%. Substitute teachers covered 100.0% of the absences.

Textbooks and Instructional Materials

The review, selection, and purchase of textbooks and instructional materials are carried out in conjunction with the California eight-year curriculum improvement cycle. Each year, textbooks and instructional materials are reviewed and adopted in one or two specific subject areas. In 1991-92, materials will be adopted in English as a second language, foreign language, and modern world history. The state Instructional Materials Fund allocation for the school district this year is \$1.7 million. Currently the average cost of a textbook is \$30. Buena Vista selects materials to meet the unique needs of our students in the Spanish Immersion program. Supplementary materials are used with our GATE and other special students to extend the curriculum. Parent groups have purchased: multiple copies of Spanish literature, P.E. equipment, software, assembly programs, instructional materials and field trips.

School Facilities and Safety

Current Conditions:

The electrical system was updated throughout the building. Parents painted rooms, installed shelves and made other general building repairs.

Planned Improvements:

The blinds in the building are all being repaired or replaced. The building is having proper ventilation installed throughout and tile repair work in the bathrooms. Walls in classrooms are being repaired. A new play structure is scheduled to be installed in the late fall.

Needed Improvements:

The building exterior and hallways need to be painted. The yard benches need to be sanded down and painted. The playground should be re-surfaced. The windows need to be replaced to improve the quality of lighting in the classrooms.

Objective 3b: The appearance of the school site will be improved

Parent Involvement

Parent participation is vital to the success of our program. Staff and parents work together to enrich the learning environment. The P.T. A. engages in active fund raising, educational, socials, work-days and supporting school-wide projects. Parents volunteer in the classroom. Room Parents enhance grade level programs and activate phone trees. The School Site Council makes decisions affecting state funding. Parents are always welcome and are highly valued resources.

Objective 2a: Together with parent leaders from established site committees and organizations, schools will develop plans to increase parent participation.
