Fall 1999

School Description

El Dorado School is noted for its wonderful academic climate. Students, faculty, parents and staff work harmoniously for the well being of all students. The student body and faculty have an ethnic composition that is closely reflective of the SFUSD school district population. The positive attitude of the staff coupled with staff development opportunities directed toward meeting student needs make this an ideal school.

A School Planning and Management Team consisting of parents, teachers and all of the stakeholders assist with curriculum and program development to support "whole student" experience. There is an OLE, Reading Program, and "IRISE" class at El Dorado School. A strong academic climate supported by programs that recognize the importance of the "whole child" are what makes El Dorado "shine"!

School Priorities

For each district goal (listed below), there are measurable objectives. Every school has developed a school site plan to achieve each objective and has identified their individual school priorities:

A To develop and apply instructional strategies in Literacy to meet the needs of all El Dorado students.

African-American, Latino and ELL students who are below the 50th percentile will demonstrate a 20% gain in Reading scores by Spring 2000.

B To increase family and community participation in the education of students at El Dorado by providing school activities that accomodate working parents.

C To increase the number of students that have access to technology.

District Mission and Goals

The mission of the San Francisco Unified School District is to provide each student with an equal opportunity to succeed by promoting intellectual growth, creativity, self discipline, cultural and linguistic sensitivity, democratic responsibility, economic competence and physical and mental health so that each student can achieve to his or her maximum ability.

To achieve this mission, the Board of Education has adopted the following goals: 1) To improve teaching and learning to enhance the academic achievement of all students; 2) To improve staff, parent and community participation in the educational process; 3) To maintain school environments that are safe, secure and attractive; 4) To build a school environment that is fully integrated in all its programs and activities and provides equal opportunity for all students; 5) To improve and expand the Early Childhood Education Program and integrate it into the K-12 Program; and 6) To increase and expand inter-agency collaboration to better serve our students.

Philosophical Tenets

In order to achieve these objectives, the Board has adopted the following set of philosophical tenets:

- | | | |
|---|--|---|
| * All individuals should learn to live and work in a world that is characterized by interdependence and cultural diversity. | * All individuals are entitled to be treated with respect and dignity. | * Teachers, administrators and staff are partners with students in the learning process. If students fail, all partners should accept full responsibility for this failure and take action to ensure success. |
| * All individuals want to learn and to be recognized for their achievements. | * All individuals can learn. | * Parents want their children to attain their fullest potential as learners and to succeed academically. |
| * Learning is an interactive process that occurs when students understand and are able to communicate new concepts through carefully crafted and guided challenging experiences defined by clear learning goals and rigorous performance standards. | * All individuals learn in many different ways and at varying rates. | |
| | * Each individual learns best in a particular way. | |
| | * All individuals are both potential learners and potential teachers. | |
| | * Learning has both cognitive and affective dimensions. | |

Teacher Evaluation

Administrators, probationary and long term substitute teachers, and all classified personnel are evaluated by their supervisors every year. Tenured teachers are evaluated every two years. The evaluation processes are determined through contractual agreements with the United Administrators of San Francisco, the United Educators of San Francisco, and the Civil Service Commission of the City and County of San Francisco.

Teacher/Staff Professional Development, and Curriculum Improvement

Number of Staff Development Days: 1997-98 = 8 1998-99 = 8 1999-2000 = 3

Professional development is a part of every school site plan and a major component of instructional support departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies, and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and multiple professional development institutes engage educators and parents in instructional leadership development.

The total faculty participated in the following staff development opportunities: Standard English Proficiency, Special Staff Development - Open Court, AIMS, Special Projects - Oceans Week, Comer I.R.I.S.E., Eyes On The Prize, Technology Training, Early Literacy, Scholastic Reading Program. All of these programs will be of great assistance to students with special needs.

Quality of School Instruction and Leadership

The State Frameworks and the SFUSD Core Curriculum are the under-girding for the instructional program at El Dorado School. The use of student recognition, many opportunities for performing before a group, whether it be a large or small group, Sustained Silent Reading, Journals and public speaking Open Court, Great Books, GATE, and ESL enhance student learning.

Three Grade Level Coordinators meet with the faculty to discuss curriculum and to make suggestions for school-wide improvement. The school newspaper, Scoop, and the weekly bulletins keep parents informed.

Substitute Teachers

During the 1998-99 school year, the El Dorado ES teacher attendance rate was 96%.
