The School Accountability Report Card (SARC) which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

Section I - Data and Access

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible (e.g. the California State Library). Access to the Internet at libraries and other locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Section II - About This School

School Description and Mission Statement (2007-08)

This section provides information about the school's goals and programs.

Driving through the heart of the Mission District, it is difficult to miss the rich and vibrant murals of Cesar Chavez Elementary School. Incorporated in these multi-colored images are the core values that this school community strives for: excellence in academic achievement, respect for diversity, and strength in character and personal growth. We focus on a rigorous academic program emphasizing reading, writing, math, science and the arts.

Our dedicated and caring staff of teachers and support staff work together to provide a safe and nurturing environment for learning. Partnering our efforts with a committed parent community, Cesar Chavez Elementary School, like its namesake, works toward a better future for all our children.

Opportunities for Parental Involvement (2007-08)

This section provides information about opportunities for parents to become involved with school activities.

Cesar Chavez School prides itself on its open door policy. Families are given a wide range of opportunities for participation. Parents are encouraged to volunteer in the classroom, as well as on field trips and other schoolwide cultural activities. To help govern our school, families are actively recruited for the Parent Organization, the School Site Council, the English Learner Committee, the School Advisory Committee, and/or the Pre-K Committee. Opportunities are also given families to support learning at home by assisting children with their homework, and taking their children to the local libraries. In addition, families are given opportunities to participate on site for the Even Start Program which promotes literacy and the CBET Program for English as a Second Language classes.

Section III - School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

Cesar Chavez has a comprehensive safety plan in place. The school and classrooms are neat and orderly which promotes a positive learning environment for students. A Conflict Manager Program, run by the Student Advisor is in place, and selected students receive conflict resolution training. These conflict managers help to keep our schoolyard and hallways safe. Earthquake and fire drills are practiced regularly, and procedures are reviewed on a regular basis. There is a Disaster Committee composed of teachers, principal, student advisor, and ancillary staff. Meetings are held regularly to evaluate our procedures for emergencies. All classrooms have an emergency backpack, and a directory with updated emergency numbers. The office also maintains updated information on all our students.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

Section IV (School Facilities) begins on next page.

Section IV - School Facilities

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The school facility is in excellent shape - from the well maintained classrooms to the outside of the building painted with beautifully colored murals. There have been many renovations completed recently - including the painting of the inside of the building and upgrading our building to make it ADA accessible. All students and families have access to the building - including the stage. The computer lab is safe and secure, as is the building. In addition, our garden is maintained by families, and the fence to protect our garden was recently replaced. The padding under the play structure in the yard has recently been replaced.

School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Section VI - Support Staff

Academic Counselors and Other Support Staff (School Year 2007-08)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Section VII - Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. The following new instructional materials were adopted by the SFUSD Board of Education for the 2008-2009 school year, and were provided for all high school students enrolled in geometry and Spanish classes. Class sets of new health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 14, 2008 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2008-2009, new mathematics instructional materials were provided for all students in grades K-8. Class sets of new health instructional materials were provided for middle school health teachers. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 14, 2008 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

Section VIII - School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil Supplemental	Expenditures Per Pupil Basic	Average Teacher Salary

State	----	----	\$5,300	\$65,008
Percent Difference - School Site and State	----	----	-31.8%	-11.8%

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Cesar Chavez Elementary School offers a number of programs including English Language Development, Spanish Bilingual, American Sign Language, and special education classes such as inclusion, speech and occupational therapy. It houses two literacy specialists who work with identified students kindergarten through fifth grades. Arts education is funded liberally and all students receive instruction from art specialists. Field trips are an integral component of our program and all students have an opportunity to participate in a variety of enrichment experiential programs - including overnight camping trips. In addition, our school offers after school programs in conjunction with Jamestown, Sports4Kids, as well as a YMCA after school program.

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$38,616	\$40,721

Percent of Budget for Administrative Salaries	5.0%	5.5%

Section IX - Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-Language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10 and 11; and history-social science in grades 8, 9, 10 and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	05-06	06-07	07-08	05-06	06-07	07-08	05-06	06-07	07-08

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all 6 fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

Grade 9	0

Section X (Accountability) begins on next page.

Section X - Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools". A similar school rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	4	4	1
Similar Schools	9	10	1

API Changes by Student Group - Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: Results for numerically significant student groups only.

Group	Actual API Change			Growth API Score
	2005-06	2006-07	2007-08	2008

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- 2) Percent proficient on the state's standards-based assessments in ELA and mathematics
- 3) API as an additional indicator
- 4) Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Yes

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District

Section XI - School Completion and Postsecondary Preparation

Not Applicable.

Section XII - Instructional Planning and Scheduling

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide three full days of professional development during the academic year.
