The School Accountability Report Card (SARC) which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

Section I - Data and Access

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible (e.g. the California State Library). Access to the Internet at libraries and other locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Section II - About This School

School Description and Mission Statement (2007-08)

This section provides information about the school's goals and programs.

Dr. Martin Luther King, Jr. Academic Middle School (MLK) enrolls students from neighborhoods throughout San Francisco. The diverse and multicultural atmosphere of the school attracts students from all racial/ethnic groups. MLK's focus for all students is the demonstration of scholarship, sportsmanship, mentorship, leadership, and entrepreneurship. The basic philosophy of the school is to cooperate, participate, communicate, work and learn together in order to produce a harmonious, productive, pluralistic society of lifelong learners.

Our mission is to ensure that all students realize their potential in academic, creative, physical, and social endeavors. We will accomplish this through the combined efforts of our students, families, staff, school district, and community.

Opportunities for Parental Involvement (2007-08)

This section provides information about opportunities for parents to become involved with school activities.

The PTSA sponsors various school projects. Parents are invited to attend Back-to-School Night, Middle and High school orientation meetings, and other MLK events. Parents can volunteer to accompany field trips, support school dances, plays, and promotion, and act as speakers for Career Day. Parents participate in the School Site Council (SSC), English Learners Advisory Committee (ELAC), and other school site support groups. Monthly newsletters, report cards/interim reports, and parent conferences provide on-going communication between staff and parents. A parent center and a parent liaison staff position have been established to provide additional information, resources, and support for parents and caregivers.

Student Enrollment By Grade Level (School Year 2007-08)

Section III (School Climate) begins on next page.

Section III - School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

The school has developed a comprehensive school safety plan including emergency response training/planning and regular emergency and safety drills. Students, staff and parents are informed of procedures. Most staff members have received instruction in first aid and crisis response training. Through the Healthy Start Program and various community agencies, students receive appropriate drug, alcohol and tobacco information. Students and adults at MLK live by the principles of Dr. King: peace, nonviolence, brotherhood, and equality. These help to promote a safe academically-focused school climate.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08

Section IV (School Facilities) begins on next page.

Section IV - School Facilities

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The school's main building was built in 1986 and features a large welcoming atrium/entranceway, two up-to-date computer labs, a library/media center, and six well-equipped science classrooms. The cafeteria and gymnasium, originally built in the 1930's, were refurbished in 1986 as well. The grounds include a circular courtyard for outdoor assemblies and two large outside yards for physical education and lunchtime recreation use. The school's garden is actively maintained by several of our classes. The cafeteria doubles as an auditorium and features a stage which is used each year for class productions and other events.

A new San Francisco public library will be completed next summer on our upper playground area by next summer, giving added resources to the school/community.

School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Core Academic Classes Taught by No Child Left Behind Compliant Teachers, 2006-07

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

Section VI - Support Staff

Academic Counselors and Other Support Staff (School Year 2007-08)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Section VII - Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. The following new instructional materials were adopted by the SFUSD Board of Education for the 2008-2009 school year, and were provided for all high school students enrolled in geometry and Spanish classes. Class sets of new health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 14, 2008 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2008-2009, new mathematics instructional materials were provided for all students in grades K-8. Class sets of new health instructional materials were provided for middle school health teachers. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 14, 2008 meeting of the Board of Education.

Section VIII - School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil Supplemental	Expenditures Per Pupil Basic	Average Teacher Salary

Percent Difference - School Site and State	----	----	-31.8%	-11.8%

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

In order to ensure the academic progress of all students-- including at-risk, special education and GATE scholars-- programs and procedures have been established to support and enhance academic performance. These efforts ensure that all students, including Special Education and English Language Learners, receive 3 years of core instruction, providing access for all to grade level instructional materials. The GEAR UP program provides students and parents awareness, motivation, and information related to initial planning for college. The After School Program offers additional homework and academic support for participating students. SFUSD's Healthy Start funding supports several outdoor education activities and a lunchtime sports program.

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$38,616	\$40,721
Mid-Range Teacher Salary	\$59,978	\$65,190
Highest Teacher Salary	\$76,483	\$84,151
Average Principal Salary (Elementary)	\$87,923	\$104,476
Average Principal Salary (Middle)	\$91,700	\$108,527

Percent of Budget for Teacher Salaries	33.4%	39.9%
Percent of Budget for Administrative Salaries	5.0%	5.5%

Section IX - Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-Language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10 and 11; and history-social science in grades 8, 9, 10 and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all 6 fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

Grade 5	0
Grade 7	27.2
Grade 9	0

Section X (Accountability) begins on next page.

Section X - Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools". A similar school rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	5	5	5
Similar Schools	6	7	6

API Changes by Student Group - Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: Results for numerically significant student groups only.

Group	Actual API Change			Growth API Score
	2005-06	2006-07	2007-08	2008

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- 2) Percent proficient on the state's standards-based assessments in ELA and mathematics
- 3) API as an additional indicator
- 4) Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

<i>AYP Criteria</i>	<i>School</i>	<i>District</i>
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Yes

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Section XI - School Completion and Postsecondary Preparation

Not Applicable.

Section XII - Instructional Planning and Scheduling

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide three full days of professional development during the academic year.
